[GWERD travel for SRO approval 3-19-2013.xlsx](#)

Hi, Mary Ellen,

This email is for your information on the upcoming EPA-API meeting which is likely to be on April 4<sup>th</sup>. Ramona will be finalizing the date and time with API this week.

Ramona, Jose and I have discussed possible GWERD attendance. Based on the Ramona's discussions about the agenda with API she will decide who should attend. Jose suggested that we submit the five names below for SRO approval through NRMRL and that we will adjust the list as necessary.

Even though my travel does not go through NRMRL, I have added it to show the complete list of possible GWERD travelers.

While I am in DC, I am also scheduling meetings about sustainability, USGEO and NOAA work as well as being available for the pre-meetings to get ready for the API meeting.

I hope all is well with you.

Gary

**Subject:** API meeting attendance for GWERD

Brian and Eric,

GWERD will have the following participants at the API meeting April 4, 2013. This is the maximum number of attendees depending on the format of the meeting. I have attached the worksheet in the format as currently being used for SRO approval.

Gary Foley

David Jewett

Rick Wilkin

Dominic Digiulio

John T. Wilson

I will be out the rest of the week but these may be SRO approval to move forward with the travel. If you have any questions, please Jose Zambrana.

Thanks,

Mary Sue McNeil
